COCKTAILS

MAKES 1 COCKTAIL

QUA	MEASURE	INGREDIENT	PROCESS
1	Oz	Dry Gin	
1	Oz	Campari	
1	Oz	Sweet Red Vermouth	
1	Twist	Fresh Orange Peel	

## PREPARATION

<b>FACTOID</b>	The blend of bitter and sweet, the herbal complexity, the refreshing pleasure—you got to be nuts not to like this. Like the Martini, the Negroni is a drink that's wide open to tinkering. Start with the classic 1:1:1 ratio and go where you may from there.
<b>1</b>	<b>NEGRONI ON THE ROCKS:</b> Simply combine the ingredients in an old-fashioned glass filled with Ice; stir to combine, twist a thin piece of Orange Peel over the drink for aromatics and use the twist as garnish.
<b>1</b>	<b>NEGRONI STRAIGHT UP:</b> Combine the ingredients in a mixing glass and fill with Ice. Stir well for 20 seconds, and strain into an empty chilled cocktail glass. Twist a piece of Orange Peel over the drink, and use the twist as garnish.
